To All Parents

Dear Parent

CATERING PROVISION

Further to our Catering Update last month, I am writing to highlight two of the new catering initiatives in school:

- A **whole school Breakfast Club** is now open every day in the main School Hall from 8.00 a.m. - 8.20 a.m. The Breakfast Club provides hot and cold food and an excellent start to the day for students who do not have time to have breakfast before they leave home in the morning. Please see the attached sheet for full details of what is available, including a breakfast meal deal!
- **Packed lunch pre-ordering service** – students are now able to pre-order and pay for their packed lunch at breakfast/break time for collection at lunchtime. This means that they can avoid queues and will have more time to attend the numerous clubs available in school at lunchtime, or to socialise with their friends. I attach a copy of the Packed Lunch Order form for your information.

Daily Menu – please find attached a sample menu showing a selection of the food available for students in school every day. As you will see, the menu provides an excellent choice of fresh, tasty and nutritious food.

I hope you and your child agree that the catering provision in school has improved greatly since September and that you feel assured that your child is able to have a nutritional meal at school.

Yours sincerely
