A group of eleven people, ten girls and one adult, are posing for a group photo in front of a football goal. The girls are arranged in two rows: five are standing in the back row and five are kneeling or sitting in the front row. They are all wearing blue football kits with black shorts. The adult, presumably the coach, is standing in the back row on the far right, wearing a green football kit. They are all smiling at the camera. The background shows a grassy field and a fence.
